February 2, 2015

11:30 a.m.

Plainview ISD Board Room

Sharon Wright welcomed everyone to the meeting. Chris Brown submitted his resignation because he moved to Brownwood. Two new student members were introduced – Meredith McDonough, PHS senior and Roy Abanonu, PHS junior.

The Committee accepted the recommendation from the Wellness Subcommittee that policy FFA(loca)I be amended to reflect the fact that the Superintendent or designee will be in charge of the implementation of the wellness policy in place of the assistant superintendent for administration and special services. This policy will be forwarded to TASB and presented to the School Board.

The wellness implementation plan was reviewed by the committee and the recommendations from the subcommittee were accepted along with several recommendations made from committee members at the meeting today. Those recommendations will be corrected and updated in the plan and the plan will be posted on the website and also made available to all campus administrators.

The next meeting will be May 4.

Meeting adjourned at 12:45.
