

School Health Advisory Committee Minutes

May 14, 2018

11:30 a.m.

Sharon Wright called the meeting to order. She welcomed everyone to the meeting. The only item on the agenda was possible topics for discussion next year. The committee reviewed some of the topics that have been discussed in the past and made a list for revisiting next year. They include the requirement for 1/2 health credit, the content of school lunches and breakfasts, and tennis equipment usage for the elementary campuses.

Sharon thanked everyone for their service on the committee. Meeting dismissed at 12:20 p.m.
