

School Health Advisory Committee

May 4, 2015

11:30 a.m. Houston School Room 5

Minutes

The meeting was called to order by Sharon Wright. The annual board report which will be given at the May 21 Board meeting was discussed and approved. Possible topics for meetings for next year were discussed including a discussion of the continued requirement of ½ credit of health for high school graduation. Possible topics for programs were information on drugs provided by the Plainview Policy Department and mental health issues by Ron Trusler. Meeting dates for next year were set for September 14, November 9, February 1 and May 2. The meeting was dismissed at 12:15.
