

Plainview ISD School Health Advisory Committee

May 1, 2017

The regularly scheduled meeting of the School Health Advisory Committee was held at the Board Room kitchen. Sharon Wright called the meeting to order. The new FFA local policy was discussed and various parts of the policy, especially those parts dealing with school lunch were discussed and explained. The new template for the wellness plan was presented and committee members helped to refine the activities pertaining to each of our goals. The plan will be available on the district website. Meeting adjourned at 12:40.
